

STANDARDS OF PUBLICATION AND EDITORIAL PROCESS

- 1- Papers submitted should not have been previously published nor submitted for current consideration elsewhere at the moment of submission to JETT.
- 2- Papers can be presented in Spanish, English, Portuguese, and French.
- 3- Papers must be related to education in its wide sense, training, and professionalization. JETT publishes research papers but also includes theoretical reflections, international literature reviews and interviews with relevant authors and book reviews of interest for the scientific community.
- 4- All participants are expected to adhere the Research Code of Conduct. If required, authors must certify their papers ethic committee approval.
- 5- JETT doesn't take the responsibility of the contents, judgments, and the expressed opinions in the published papers. Neither it is responsible about possible authorship derivatives conflicts of the published papers in the magazine. These responsibilities have to be taken exclusively by the authors of the published papers.

The responsibility for the content provided in the articles published and the opinions expressed are exclusively of the author(s) concerned. JETT is not responsible for errors in the contents or any consequences arising from the use of the information contained in it. The opinions expressed in the research papers/articles in this journal do not necessarily represent the views of the of the Journal.

- 6- Paper and articles must follow APA style.
- 7- The authors must read, accept and fulfill the established commitments in the license DIGIBUG (Spanish license, English license).
- 8- The papers and the DIGIBUG license (signed and filled) will be uploaded in the platform, exactly in the Step 4. "uploading supplementary files".
- 9- Papers Features:
 - Extension: approximately 6000 words.
